As part of the benefits, guests can enjoy complimentary breakfast, afternoon tea and evening cocktails, international menus on a widescreen TV, a choice of International newspapers and magazines, or they may choose to simply sit back and enjoy the magnificent views of Bangkok along the Chao Phraya River.

MEETINGS, CONVENTIONS AND EVENT SERVICES

Deftly combining business and pleasure, the hotel has over 4,090 square meters of function space featuring 21 function rooms, many with river views. The newly renovated Royal Orchid Ballroom, considered to be one of Thailand's most technologically advanced ballrooms, offers panoramic views of the Chao Phraya River and can accommodate up to 1,250 delegates in a meeting setting, 1,400 people for a cocktail reception or 800 people for a sit-down dinner. The 1,080 square meter room can also be divided into three sections with sound-barrier partitions that are capable of blocking noise up to 53 decibels. These amenities provide for an ideal venue for weddings, galas ceremonies and other events. The hotel also offers one of the most creative meeting solutions for guests through its talented banquet team.

The high-tech digital equipment includes five drop-down screens, LCD projection, broadband Internet, 20 JBL speakers, and a state-of-the-art sound system.
